

# CS-270: Mathematical Foundations of Computer Science

## Other Resources

### **Natural Deduction Proof Editor and Checker**

<http://proofs.openlogicproject.org/>

A natural deduction proof creator and checker. Very self explanatory.

### **Racket Documentation**

<https://docs.racket-lang.org/>

The official Racket documentation

### **Racket Download**

<https://download.racket-lang.org/>

The official Racket download link
